Subject: Revision of fee structure of NABH Capacity Building Programs

Since last 8 years, there has been no change in the training **fee** despite inflation and increase in costs for many services.

There is huge pressure on us to increase the fee by substantial percentage but again keeping in view of constraints on providers, NABH Board has decided to increase fee structure.

The revised fee structure will be as follows:

1. For open program Rs. 5000/- per day
2. For closed program Rs. 80000/- per day

The revised fee structure will be applicable on all transactions from **May 15, 2017** onwards.

Rest of the terms and conditions remain the same.

Service tax will be charged on all the above fees as applicable on the date of payment.

We hope to have same support from all our partners.

Thanking you,

With regards,

(Dr. Harish Nadkarni)
