1. Team player and inter-personal management skills
2. Communication skills (verbal and written), including listening skills
3. Willing to adapt
4. Planning and organization capability
5. Time management
6. Analytical thinking

What is the application process?

If you meet the eligibility criteria, please complete the Application Form with a brief covering letter along with necessary documents and send it to the email ID provided in the advertisement. Please ensure you are familiar with the Core Competency and Time Commitments before applying.

What is the selection process?

Step 1: Application

Candidates are required to submit the application form with a brief cover letter along with a copy of Curriculum Vitae (CV) in below mentioned tabular format and current job description to NABH at mail ID rohit@nabh.co before 5 pm, 15th May 2017. An initial review of the application form will be completed by NABH to determine whether the candidate meets the eligibility criteria, and is a good fit with the Assessor Core Competencies and the recruitment priorities. Short-listing of candidates is done based on the review.

Format of CV:

Name	Age (DOB)	Qualifications (with year of passing)	Experience year wise after passing AYUSH Graduation / Post-graduate in healthcare management/ administration	Office address with phone no. , email id	Residence address with phone no.	Past experience in Quality assurance / accreditation	Sponsored by organization (indicate name) or self	Contact details (email id and phone no.)

Course fee: The fee for the training course is Rs. 25,000/- + Service Tax @ 15% which include the course material, lunch & tea for 5 days. The fee is to be paid by on line bank transfer in favor of “Quality Council of India” using the following web link

http://nabh.co/Images/PDF/QCI_Bankdetails.pdf

Only short listed candidates shall be asked to deposit the course fee.

Step 2: Interview

Short-listed candidates will be invited to participate in a telephone interview/video interview through a service like Skype for a more thorough assessment of his/her suitability to be an AYUSH assessor. Candidates are encouraged to review the assessor competency requirements prior to the interview.

Step 3: Training

Following the interview, selected candidates (usually not exceeding 30 per program) are invited to participate in a training programme. The training programme is of 5 days duration and will

cover interpretation of the AYUSH NABH standard and impart training on assessment skills. The course will consist of a mixture of lectures, practical workshops, discussions and pre-course study, to build the skills required to be an NABH AYUSH assessor. The selected candidate has to bear the cost of training, travel and stay. The training programme is used to further assess the core competencies. On the last day of the training programme the candidate has to appear for an open book exam and successfully qualify in the exam. Candidates who have successfully completed all elements of the selection and training process proceed to a trainee assessor phase.

Step 4: Trainee AYUSH assessor phase

The trainee AYUSH assessor phase typically spans over the period of two assessments. During this period the candidate will be assigned to accompany members of the AYUSH assessment team and will be allotted specific roles including conduct of assessment in selected areas under supervision. The candidate will receive ongoing support and advice from their peer assessors during the assessment. At the conclusion of the each assessment, feedback is taken from the assessment team regarding the candidate's performance. At the end of two such assessments, based on the evaluation and feedback, NABH will make a decision about empanelment as an AYUSH Assessor.

What is the time commitment?

NABH assessors are volunteers. You will not be employees of NABH. NABH allocates assessors depending on the number of assessment days and geographic location. Assessors will be paid a modest honorarium.
