

# QUALITY CONNECT LEARNING WITH NABH

**National Accreditation Board  
for Hospitals and Healthcare Providers**

## *Certificate Courses*

NABH, since its inception in 2005, has been at the forefront of creating and sustaining an ecosystem of healthcare quality.

Training and capacity building in the realms of patient safety, healthcare quality and accreditation is one of the core activities of NABH. The purpose of these trainings & workshops is to upgrade the knowledge and skills of healthcare personnel, so that they can implement quality principles at their work place.

Over the past 15 years NABH has successfully conducted hundreds of training on various subjects and thousands of quality professionals have benefited.

The recent COVID pandemic has given an opportunity to NABH to reach out and connect to many more quality professionals via the virtual platforms at a very nominal cost.

All these Virtual Courses have been updated and enhanced with latest course material and content. All participants will also receive a NABH official certificate.
