

## Information related to Iraqi patients

*Ministry of health & family welfare* has informed that a complaint has been made by the embassy of Iraq with the Ministry of External Affairs alleging death of an Iraqi national due to alleged professional negligence /incompetence of a Doctor in a Hospital in New Delhi. Embassy of Iraq has requested to circulate to all Indian Hospitals in New Delhi and the NCR, informing them not to admit any Iraqi patient for surgical operation without prior knowledge and written approval of the Embassy of Iraq in New Delhi. (Ministry of Tourism Reference letter No. 7-1(4)/2016 –NT)
