NABH/SHCOs/Circular/Surveillance/2023/2652

April 05, 2023

NOTIFICATION FOR SMALL HEALTH CARE ORGANIZATIONS

NABH has started implementation of 3rd edition accreditation standards for SHCOs w.e.f. 1st March 2023. In view of multiple representations received from various stakeholders and our endeavour to continue conducting comprehensive assessments of SHCOs, NABH has decided to increase number of man-days for conducting the mid-term surveillance assessments of SHCOs under 3rd edition, from current 1*1 (1 assessor for 1 day) to 2* 2 (2 assessors for 2 days) with immediate effect.

There shall be no change in the number of man-days for final and re-assessments of SHCOs.

Thanking you,

Sincerely yours,

(Dr. Atul Mohan Kochhar)
CEO-NABH
